

NCRTAC Injury Prevention Committee Minutes

Date: May 19th, 2010

Location: Aspirus Hospital

Chair: Lisa Ebert

Recorder: Amy Schmidt

Members Present: Lisa Ebert, Amy Schmidt, Michelle Armstrong, Sue McVey
Toni Smith, Dorothy Lepke, Carolyn Neumueller

Discussion Topics:

Allocation of 2011 Fiscal Year Funds

- Purchase a 2nd Fatal Reaction Kit with the distract-a-match game. 2nd Fatal Reaction Kit will be kept at Ministry Saint Joseph's Hospital.
- Purchase 4 additional distract-a-match games. In addition to the one purchased last year and the additional purchases this year, one distract-a-match game will be placed in each of the 6 kits.
- Purchase 6 of the distraction CD's developed by the Colorado ThinkFirst chapter. This will allow greater flexibility with the distract-a-match depending on presentation needs.
- Discussion occurred about the need for a distraction display of some sort for the kits. Ebert to price 2 display boards and to price various poster options. Discussion about additions to the kits such as energy drink content cards: Schmidt to show what she created.

Allocation of the 2011 Fiscal Year Funds

- With falls surpassing MVC's as the leading cause of injury related death in Wisconsin, it was proposed to allocate funds for fall prevention activities. Consensus: more discussion is needed at the July meeting.

Meeting adjourned at 1230
