

# The North Central Regional Trauma Advisory Council

Presents

## Life as a Combat Medic

The NCR TAC is holding a special evening meeting Thursday, March 15<sup>th</sup>. Come join us for the business meeting from 5:00 pm to 7:00 pm and learn what the RTAC is doing to improve trauma care in our region. We are especially inviting EMS providers to join us. The RTAC needs your input to continue serving you and the patients you care for.

At 7:00 pm Cathy Fletcher will give a presentation about the Army's Combat Medic Program including:

- Training and testing required to become a medic
- Scope of practice
- Use of medics in the field and hospitals
- Cathy's experience as an Army medic

See a combat medic bag.

Light dinner and 1.0 hour CEU provided.
