

NORTHCENTRAL REGIONAL TRAUMA ADVISORY COUNCIL
Out-of-Hospital Committee
MEETING MINUTES OF January 20, 2011
 Saint Clare's Hospital

Chair: Josh Finke

Members Present: Ken Marg, Jason Keffeler, Nick Sphatt, Dr. Gordon

NCRTAC Coordinator/ Recorder: Michael Fraley

Triage Protocol	Group reviewed letter to medical directors. Michael will get a list of services and number of ambulances and we will send them a letter along with laminated copies of protocol.
Selective Spinal Immobilization and Back Rafts	Survey services on use. Josh will send Michael a draft of questions.
Level II Feedback	Lack of feedback to services when trauma team feels there was a problem. Difficult to identify trends (i.e. rewarming).
RTAC PI committee feedback	Would like to know if there are any issues they have identified for the OOH committee to address. Discussed spinal immobilization and documentation.
OOH funding use	Discussed options: support of MCIs – approach county Emergency Management, EMS and hospitals to let them know we would support having EMS involvement in drills
